

FAQ

Q: What happens if I don't want my child to attend ACE when a teacher has referred them?

A: No one will attend ACE without a permission slip being returned. If you wish them not to attend, we cannot force this and will honour the parent's decision.

Q: Can I see my child's notes if I request them?

A: No, all sessions are confidential to each child. You are welcome to speak to a member of staff about your child if you have queries but only child protection or safe guarding issues will be disclosed.

Q: What happens when my child misses their session?

A: Don't worry, if a child is absent or misses their session due to any other reason then, staff will plan for another session as soon as available. This will not affect their weekly session.

Q: When will these sessions take place?

A: Each session is timed for minimum disruption to both the child and their lessons. All sessions will take place in the afternoon so core subjects are not affected.
